## TERM DATES 2022

### **Term 4**

Monday 17 October - Wednesday 21 December

## Are you talking about 2023?

Parents and families play the most important role in preparing the transition from one year to the next. When children finish a school year and begin another, it marks a significant milestone in their schooling careers. They spend a year making connections, memories and experiences that shape and mould who they are as learners. As we move into the end of the year, and look forward to 2023 some children will start to wonder what this brings?

- I will miss my teacher
- I have made good friends and want them in my class
- I am moving to a different part of the school
- I will be with new older or younger students
- What if I don't like my teacher or class?

These are completely normal feelings and questions. Some children will feel these feelings more than others. We are committed to continuing our focus on connections, children have identified who they learn best with, and teachers have worked to establish classes to support connections across the school.

How can you support?

- Celebrate the year of learning with your child/ren.
- Reassure that the following year holds exciting new experiences.
- Reassure that their current teachers have supported class placements and will always support their learning.

Continued.....

## FROM THE PRINCIPAL..

- Acknowledge their worries and support them in positive language.
- Let them know they have done it before, and they can do it again.

In the last week of this term, children will have the opportunity to meet their new classroom teacher and new classes. We will have new teachers to school come and meet children where possible at this time, and opportunities for meeting new teachers in the new school year.

### Is it in your diary?

The School Association in conjunction with Trevallyn Primary School students and staff are producing the End of Year Christmas event of the year! **WE WANT TO CELEBRATE OUR SCHOOL WITH YOU!**

- Tuesday 20 December our End of Year Celebration will be held on the Trevallyn Oval, starting 4:30pm.
- Students will perform!
- Riverside High School students will perform!
- DJ Dan will entertain and who knows there could be visit from a Big Man in a Red Suit.

We want to connect with all our families and celebrate our students and the 2022 school year.

**SEE YOU THERE!**

### Over the next two weeks:

As always please keep your eye out for important messaging.

- 2023 School and House Captain nominations and posters due
- Writer's Day at Launceston College
- Early Childhood Athletics carnival
- Year 6 – Hollybank Excursion
- 2022 Student Leadership Parent Afternoon
- Year 1/2 Excursion Under the Sea Performance
- 2023 Student Leadership Speeches and Elections
- Preparation for our End of Year Christmas Evening

## ROAD SAFETY IS ALL OUR WORK

Please remember to ALWAYS cross at the school crossing with Tony. We understand that drop off and pick up can be tricky to navigate, so please make sure you:

- Keep the DROP and GO moving! DO NOT PARK AND HOLD TRAFFIC UP
- Remember to ALWAYS cross at the crossing
- Never duck across the road in a different spot
- Model safe road behaviours to all our students
- Ensure you and your children are always safe at this time

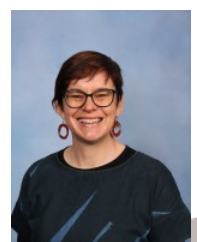

## Good Morning Trevallyn Primary School

As our days are longer, please remember that Duty of Care for the beginning of the day is at 8:30 am. Children should arrive to school after this time. Once they arrive, they can drop off their bags to their classroom, check in with their teacher and get ready for learning which begins at 9:00 am.

\*Please do not drop children off prior to 8:30 am.\*

Thanks Trevallyn!

Louise

## GRADE 1-2 CATARACT GORGE EXCURSION

On Thursday 17 November the Grade 1-2 classes went on an excursion to The Cataract Gorge. This was a part of our inquiry learning around sustainability. We looked at how the Gorge has changed over time and different things that had a positive or negative impact on the environment at the Cataract Gorge. We were also entertained by many noisy peacocks.

## JACKJUMPERS VISIT

Last Thursday we were fortunate to get a visit from some Jack Jumpers players. Our 3-6 students had a great time watching the players from the 5/6 basketball tournament compete in a game against the Jackies. It was a wonderful event with students seeing some high flying dunks and outstanding shooting on display. It was great to have some giveaways and the half time dance-off was a huge hit. This visit was a result from our support for the Jack Jumpers earlier in the year, great work to everyone for getting us this amazing experience, we look forward to more opportunities like this in the future.

## PREP - SUSTAINABLE ART

Last week, Prep students were extremely lucky to have Kim and Stacie from Interweave Studio visit to share their creativity and skills in making wearable art for Remade 2022. This helped Prep in the 'Finding Out' stage of their inquiry into Environmental Sustainability. They got to model some fabulous remade pieces and then collaboratively used recycled materials and new techniques to create their own creatures and flowers. Thank you Kim and Stacie for showing us how to turn used items into something new and beautiful.

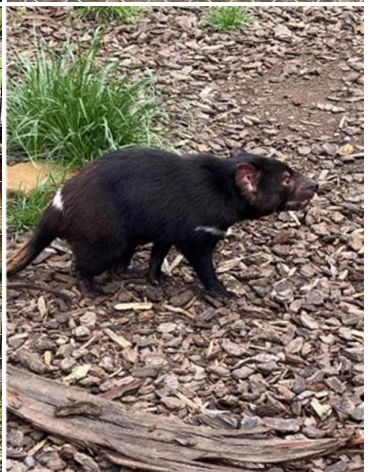

## KINDER TASMANIA ZOO EXCURSION

Kinder Coyle and Kinder Ferrall had a very exciting time at the Tasmania Zoo.

We were fascinated by the meerkats, the tiger, the giraffes and especially the beautiful lion that roared sooooo loudly! We noticed the many different ways we care for living things especially their individual environments. We saw many endangered species and talked about the ways we can help them.

The people who worked there said that our Trevallyn people were wonderful guests and we were very proud of our little people on their first excursion.

NUDE FOOD  
DAY!

On Thursday 17 November students showed off their plastic free lunchboxes for Nude Food Day. The student leaders have organised Nude Food Day with the aim to help reduce plastic waste in our school.

## LSSSA SWIMMING

On Friday 11 November we had our LSSSA Swimming team head to the Riverside pool for the Division 1 Carnival. We had some amazing results on the day, with too many top 3 finishes to name! It was great to see students trying their best and earning some great results for our team. We placed 3rd overall, just 4 points behind Riverside! Congratulations to East Launceston for taking home the victory, it was a wonderful event to be apart of. A special congratulations to Alex C for numerous heat 1, first place finishes and extra thanks to Millie G and Jude P for stepping up and taking on some extra challenges on the day, you were great support for our team. The whole team should be extremely proud of their efforts, Go Trevallyn!
